

## Social Media Policy

### Nevada Union Jr Miners Youth Football and Cheer Program:

By participating in the Nevada Union Jr Miners Youth Football and Cheer program, both parents and children agree to adhere to the following social media policy:

**Respect and Integrity:** All social media interactions must be conducted with respect and integrity towards coaches, fellow teammates, opposing teams, officials, and program administrators.

**Positive Representation:** Participants must ensure that their social media posts positively represent themselves, their team, and the Nevada Union Jr Miners Youth Football and Cheer program. Any content that could reflect negatively on the program or its members is strictly prohibited.

**Confidentiality:** Participants must not disclose any confidential information related to the program, including but not limited to team strategies, internal discussions, or personal information of other participants.

**Avoiding Conflict:** Participants should refrain from engaging in online conflicts or disputes related to the program. Any disagreements or concerns should be addressed directly with program administrators or coaching staff through appropriate channels.

**Reporting Violations:** Participants are encouraged to report any instances of social media misconduct or violations of these guidelines to program administrators promptly. Violation of this social media clause may result in disciplinary action, including but not limited to suspension or expulsion from the program, as determined by program administrators.

By registering for the Nevada Union Jr Miners Youth Football and Cheer program, both parents and children acknowledge their understanding and acceptance of these social media guidelines.
